The Amerex Halotron I™ extinguishers feature the same qualities found in all Amerex products and adds the convenience of a "clean" extinguishing agent. Halotron I™ extinguishing agent has proven itself as the leader in the hunt for an alternative "clean" agent by being the only alternative "clean" agent to obtain FAA approvals for both ramp use (ARFF Vehicle) and on-board an aircraft. Combining the quality of Amerex products with a proven alternative "clean" agent, the Amerex Halotron I™ wheeled extinguishers offer you the best value in the industry.
